Re: endorsement of **Clement Kumaru** as a fully qualified (registered) Community Development Worker Workplace Assessor.

To whom it may concern

As per the procedure outlined in the Community Development Worker (CDW) Workplace Assessment Handbook, the first time a new workplace assessor conducts an assessment they need to be mentored by a current member of the PNG CDW ITC or registered CDW Workplace Assessor.

I declare that I, Christopher Philip Gard, am a current member of the PNG CDW ITC and a registered CDW Workplace Assessor.

I declare that I observed Clement Kumaru conduct assessments of Alexander Tanabi (Santos Foundation) over a period from 2<sup>nd</sup> to 14<sup>th</sup> of March 2026, in Pimaga, Southern Highlands Province. Clement Kumaru assessed the candidate for the following Elements:

Element 3 – Conduct Community Training

I am satisfied that Clement Kumaru (photo right) conducted this assessment properly, following the CDW Workplace Assessor Handbook, and in accordance with the CDW Workplace Assessor Code of Conduct.

I therefore now endorse Clement Kumaru as a fully qualified (registered) Community Development Worker Workplace Assessor. Please feel free to contact me for more information through the contact points below. This letter of endorsement is valid for 5 years (until 14<sup>th</sup> March 2031).
